As Jeep sales have skyrocketed in recent years, the company has put more money and muscle behind vintage names like Wagoneer and Gladiator, and has jumped into pickups as never before. But what made their past vehicles good enough to bring their names back now? The Wagoneer and its companion, the Gladiator pickup, were well ahead of their time in technology, the first 4x4s with an independent front suspension and automatic transmission. Updates through the years kept them at the forefront of 4x4 technology, but their tough, go-anywhere nature never changed over a long, long product run. The Wagoneer name was also attached to the revolutionary "XJ" series; more commonly associated with the original Cherokee, these tough wagons were an efficient, lightweight unibody design, but were just as capable off-road as the senior Wagoneers. Wagoneer, Gladiator, Comanche, and Scrambler dives into what made the "XJ" and "ZJ" Wagoneers special--and how they differed from the Cherokee and Grand Cherokee. With the new Gladiator making a splash, it's time to look back on Jeep's pickups, not just the original Gladiator, but also one of the most innovative trucks ever made: the Comanche. It shared a great deal with the Cherokee, but clever design gave it both superior ground clearance and the lowest bed height of any comparable 4x4 pickup. The book also covers the CJ-8 Scrambler, which is possibly more popular off-road today than it was at dealerships when it was made. This book traces the history and present state of some of Jeep's newest vehicles, including the upcoming Wagoneer and the new Gladiator, and some of its most famous and most-loved, with original and period photography; it's a "must-have" for any Jeep enthusiast.

Haynes Manuals have a new look! To ensure the continued success of one of the industry's most dynamic manual series, Haynes has color coded their covers by manufacturer and replaced the familiar cover artwork with computer-generated cutaway photography. By Summer 2000, 80 percent of Haynes manuals will have the colorful new design. Inside, enthusiasts will find the same reliable information -- whether the reader has simple maintenance or a complete engine rebuild in mind, he or she can rest assured that there's a Haynes Manual for just above every popular domestic and import car, truck, and motorcycle. Hundreds of illustrations and step-by-step instructions make each repair easy to follow.

With a Haynes manual, you can do-it-yourself...from simple maintenance to basic repairs. Haynes writes every book based on a complete teardown of the vehicle, where we learn the best ways to do a job and that makes it quicker, easier and cheaper for you. Haynes books have clear instructions and hundreds of photographs that show each step. Whether you are a beginner or a pro, you can save big with a Haynes manual! This manual features complete coverage for your Dodge pick-up built from 2009 through 2018, covering: Routine maintenance Tune-up procedures Engine repair Cooling and heating Air conditioning Fuel and exhaust Emissions control Ignition Brakes Suspension and steering Electrical systems, and Wring diagrams.

Peanut Butter is a sad little fish. His best friend, Honey, just moved away. The two friends were perfect together, just like a peanut butter and honey sandwich. Now Honey is gone, and Peanut Butter needs a new friend-but how will he find one? Peanut Butter sets out on a thrilling adventure deep in the ocean to find a new best friend. He starts his journey by seeking out only the most beautiful fish in the sea and rejecting all others. Along the way, he encounters colorful characters like sharks, an angelfish, a moon snail, and many more. Peanut Butter soon realizes that if he wants real friendship, he'll have to look deeper and discover the beauty within other fish. If he can do that, perhaps he'll finally find the perfect friend. Join Peanut Butter on his big adventure, and share in the discovery of a vibrant undersea community. More importantly, swim along with him as he learns about the importance of true friendship.

For 27 years, Edmund's has helped consumers determine fair market value for a new vehicle before negotiations begin. Edmund's publishes the actual dealer cost along with the list price for every van, pickup truck and sport utility vehicle sold in the United States. Covers options, specs, gas mileage, and more.

Offers a window into the vanity and silliness of almost every decade as expressed by the ultimate status symbol of the car, showcasing the cheapest,

tackiest, and most mechanically inept vehicles built from the 1960s to the 1990s.

The mysteries of the versatile LS series engines are unlocked in the Haynes Techbook Cummins Diesel Engine Manual. Covering everything from engine overhaul, cylinder head selection and modification, induction and fuel systems, camshafts and valve train, to beefing-up the bottom end, turbo and supercharger add-ons, engine swaps and extreme builds, this manual will help you get the most from your LS-powered vehicle.

"I adore Kristen Ashley's books!"---Maya Banks, New York Times bestselling author Is love in the cards? Since birth, Lexie Berry has had nothing but bad luck. Orphaned at an early age, she had a rough childhood and a boyfriend who was murdered. Now the beautiful, stylish Lexie is determined to change her luck and her life. But first she's got to make good on a promise: to pick up Ty Walker from prison. One look at the gorgeous ex-convict and Lexie knows she's in trouble--and already thinking about taking a walk on the wild side . . . For five years, Ty was imprisoned for a crime he didn't commit. Now he wants revenge on the people who framed him. Yet when the high-stakes poker player sees the leggy Lexie, he suddenly has other desires on his mind. Realizing that Ty is innocent, Lexie tries to stop his plan for vengeance and help him become a better man. But as Ty battles his inner demons, dirty cops and criminals plot to take him out. Can he and Lexie find a way to escape the past?
