“American Amnesia” is a much-needed refresher of what truly made America great and what we can do to restore a well-functioning government that promotes shared prosperity. Political Science professors Hacker and Pierson join forces once again to provide the public with the virtues of the greatest invention in history, the mixed economy.

American Amnesia: Business, Government, and the Forgotten ...

In American Amnesia, bestselling political scientists Jacob S. Hacker and Paul Pierson trace the economic and political history of the United States over the last century and show how a viable mixed economy has long been the dominant engine of America’s prosperity. We have largely forgotten this reliance, as many political circles and corporate actors have come to mistakenly see government as a hindrance rather than the propeller it once was.
