It can help you work out what you need physically - and emotionally. The emotions are always felt in and through the body. Sometimes your moods are subtle, on the hazy horizon of your felt-sense, but learning what they feel like in your body is a first step on making the changes that you want to make for a healthier, more satisfying life.

Attunement Through the Body – FCMA
Attunement is the practice of opening thought and feeling to the source of wisdom and love which is within all people, increasing the flow of life-giving energy through the body, into the world. Attunement is an energy medicine practice and a consciousness practice. So it is both the shared generation of life energy between two people, promoting health and wellbeing, and also a daily practice of spiritual centering and flow.

Once given, an attunement is located in one of seven positions on the body. Each spire has different attunements and each attunement grants the person with it (referred to as an attuned) different abilities. It is commonly believed that attunements are given by the goddess Selys or by one of her six Visages.
