For the last twenty years, Melinda Gates has been on a mission to find solutions for people with the most urgent needs, wherever they live.

Throughout this journey, one thing has become increasingly clear to her: If you want to lift a society up, you need to stop keeping women down. In this moving

and compelling book,

Melinda shares lessons she ' s learned from the inspiring people she ' s met during her work and travels around the world.

As she writes in the introduction, “ That is why I had to write this book—to share the stories of people who have given focus and urgency to my life. I want all of us to see ways we

can lift women up where we live.” Melinda’s unforgettable narrative is backed by startling data as she presents the issues that most need our attention—from child marriage to lack of access to contraceptives to gender inequity in the workplace. And, for the first time, she writes about her personal life and the road to equality
