To learn how to play piano
boogie woogie let's start by
constructing the chord you
are going to play in the
right hand. We are going to
play a C chord which
consists of three notes - C,
E and G. First of all, place
your thumb on the C and sit
all of your remaining
fingers of your right hand
on the rest of the keys to
the right of the C.

A very common way to start a boogie-woogie is by simply playing the left hand bass pattern for four measure by itself, and then introduce the right hand. Another common way to begin a boogie-woogie is by using the first two chords of a turnaround progression, the I7 and I dim 7.

Migliazza ...~~

Boogie-woogie is all about
dancing (unlike other blues
music which is all about
emotion). That means it
tends to be fast and upbeat,
with a light-hearted spirit.
Boogie-woogie is mainly
defined by specific
basslines, which we'll talk
about and demonstrate in
this video.
