Nexxt 500 Plus series model is  
not an exception. The washer  
with front loading copes with the  
assigned tasks. High spin speed  
and 15 different programs allow  
you to select the desired wash  
mode. You can choose the  
needed one for a particular thing.  
However, even such strong and

I purchased a Bosch Nexxt 500 Series Dryer and a 100 Series Washer. I will never purchase another Bosch product again. I have followed all manufacturer's instructions concerning the proper operation of both products. The washer leaves the clothes a tangled mess and sometimes does not spin the water out correctly.

## ~~Bosch Nexxt 500 Plus Series Washer Manual Best Version~~

All was going well on my Bosch  
Nexxt 500 Plus until I tried to  
remove the pump cover. Only the  
cover lid came off leaving all the  
guts inside. There's not much to  
grab to try to pull the rest of it  
out, only a circular ridge that  
seems like its supposed to snap  
into the lid.
