The volume covers two main topics: the knowledge of God and the attributes (or perfections, to use Barth's term) of God.

Barth Doctrine God li 2

Having taken over 30 years to write, the Church Dogmatics is regarded as one of the most important theological works of all time, and represents the pinnacle of Barth's achievement as a theologian. Described by Pope Pius XII as the most important theologian since Thomas Aquinas, the Swiss pastor and theologian, Karl Barth, continues to be a major influence on students, scholars and preachers today.

The second half of Barth's Doctrine of God was nothing short of extraordinary.
