One of the greatest loves of all time-between Elizabeth I and Robert Dudley-comes to life in this vivid novel. They were playmates as children, impetuous lovers as adults-and for thirty years were the center of each others' lives. Astute to the dangers of choosing any one man, the Virgin Queen could never give her "Sweet Robin" what he wanted most-marriage-yet she insisted he stay close by her side. Possessive and jealous, their love survived quarrels, his two disastrous marriages to other women, her constant flirtations, and political machinations with foreign princes. His Last Letter tells the story of this great love... and especially of the last three years Elizabeth and Dudley spent together, the most dangerous of her rule, when their passion was tempered by a bittersweet recognition of all that they shared-and all that would remain unfulfilled.

View our feature on Sarah Gristwood's Elizabeth & Leicester. Though the story has been told on film—and whispered in historic gossip—this is the first book in almost fifty years to solely explore the great queen's attachment to her beloved Robert Dudley, the Earl of Leicester. Fueled by scandal and intrigue, their relationship set the explosive connection between

## Read Book His Last Letter Elizabeth I And The Earl Of Leicester

public and private life in sixteenth-century England in bold relief. Why did they never marry? How much of what seemed a passionate obsession was actually political convenience? Elizabeth and Leicester reignites this 400- year-old love story in a book for anyone interested in Elizabethan literature.

The first exhaustive treatment of the great monarch's letters opens the door to her life through her correspondence--from letters she wrote at ten to barely legible letters scrawled to her successor when she was on her deathbed. (Biography)

"This volume has been published to commemorate the 400th anniversary of Elizabeth I's death in 1603. It illustrates in colour sixty manuscripts, either by Elizabeth or to her. Each one is accompanied by a commentary, explaining the document and placing it in its historical context."--BOOK JACKET.

This long-awaited and masterfully edited volume contains nearly all of the writings of Queen Elizabeth I: the clumsy letters of childhood, the early speeches of a fledgling queen, and the prayers and poetry of the monarch's later years. The first collection of its kind, Elizabeth I reveals brilliance on two counts: that of the Queen, a dazzling writer and a leading intellect of the English Renaissance, and that of the editors, whose copious annotations make the book not only essential to scholars but accessible to general readers as well. "This collection shines a light onto the character and experience of one of the most interesting of monarchs. . . . We are likely never to get a closer or clearer look at her. An intriguing and intense portrait of a woman who figures so importantly in the birth of our modern world."—Publishers Weekly "An admirable scholarly edition of the queen's literary output. . . . This anthology will excite scholars of Elizabethan history, but there is something here for all of us who revel in the English language."—John Cooper, Washington Times "Substantial, scholarly, but accessible. . . . An invaluable work of reference."—Patrick Collinson, London Review of Books "In a single extraordinary volume . . . Marcus and her coeditors have collected the Virgin Queen's letters, speeches, poems and prayers. . . . An impressive, heavily footnoted volume."—Library Journal "This excellent anthology of [Elizabeth's] speeches, poems, prayers and letters demonstrates her virtuosity and afford the reader a penetrating insight into her 'wiles and understandings.'"—Anne Somerset, New Statesman "Here then is the only trustworthy collection of the various genres of Elizabeth's writings. . . . A fine edition which will be indispensable to all those interested in Elizabeth I and her reign."—Susan Doran, History "In the torrent of words about her, the queen's own words have been hard to find. . . . [This] volume is a major scholarly achievement that makes Elizabeth's mind much more accessible than before. . . . A veritable feast of material in different genres."—David Norbrook, The New Republic

This collection features the romantic correspondence between the two of the most prominent and prolific Victorian poets who married in secret and escaped to a life together in Italy where their son, Pen, was born.

"The novel's sweeping historic detail and bewitching blend of rivalries and romances will dazzle devotees of Tudor England"

## Read Book His Last Letter Elizabeth I And The Earl Of Leicester

- Publishers Weekly After the tragic romance of Jane the Quene, this second book in The Seymour Saga trilogy takes a dark turn through an era in which King Henry VIII descends into cynicism, suspicion and fits of madness - and in which mistakes mean death. Edward Seymour's future is uncertain. Although his sister Jane bore Henry the son he'd sought for twenty years, when she died in childbirth, Henry's good nature died with her. Now the fiercely ambitious Edward must carve a difficult path through Henry's shifting principles and wives. Challenged at every turn by his nemesis, Bishop Stephen Gardiner, Edward must embrace ruthlessness in order to safeguard not only his own future but England's as well. This is the account of Henry's tumultuous reign, as experienced by two enemies whose fierce disagreements over religion and common decency fuel epic struggles for the soul of the nation. And for power.

This is the first edition ever of the Queen's correspondence in Italian. These letters cast a new light on her talents as a linguist and provide interesting details as to her political agenda, and on the cultural milieu of her court. This book provides a fresh analysis of the surviving evidence concerning Elizabeth's learning and use of Italian, and of the activity of the members of her 'Foreign Office.' All of the documents transcribed here are accompanied by a short introduction focusing on their content and context, a brief description of their transmission history, and an English translation.

William Shawcross's official biography of Queen Elizabeth the Queen Mother, published in September 2009, was a huge critical and commercial success. One of the great revelations of the book was Queen Elizabeth's insightful, witty private correspondence. Indeed, The Sunday Times described her letters as "wonderful . . . brimful of liveliness and irreverence, steeliness and sweetness." Now, in Counting One's Blessings, Shawcross has put together a selection of her letters, drawing on the vast wealth of material in the Royal Archives and at Glamis Castle. Queen Elizabeth was a prolific correspondent, from her early childhood before World War I to the very end of her long life at the beginning of the twenty-first century, and her letters offer readers a vivid insight into the real person behind the public face.

"Superb.... A perceptive, suspenseful account." --The New York Times Book Review "Dunn demythologizes Elizabeth and Mary. In humanizing their dynamic and shifting relationship, Dunn describes it as fueled by both rivalry and their natural solidarity as women in an overwhelmingly masculine world." --Boston Herald The political and religious conflicts between Queen Elizabeth I and the doomed Mary, Queen of Scots, have for centuries captured our imagination and inspired memorable dramas played out on stage, screen, and in opera. But few books have brought to life more vividly the exquisite texture of two women's rivalry, spurred on by the ambitions and machinations of the forceful men who surrounded them. The drama has terrific resonance even now as women continue to struggle in their bid for executive power. Against the backdrop of sixteenth-century England, Scotland, and France, Dunn paints portraits of a pair of protagonists whose formidable strengths were placed in relentless opposition. Protestant Elizabeth, the bastard daughter of Anne Boleyn, whose legitimacy had to be vouchsafed by legal means, glowed with executive ability and a visionary energy as bright as her red hair. Mary, the Catholic successor whom England's rivals wished to see on the throne, was charming, feminine, and

## Read Book His Last Letter Elizabeth I And The Earl Of Leicester

deeply persuasive. That two such women, queens in their own right, should have been contemporaries and neighbours sets in motion a joint biography of rare spark and page-turning power.
