John Deere 214 Engine Rebuild

Produced between 1975 and 1987, the John Deere 214 is a small duty mowing tractor from John Deere's factory in Horicon, Wis. A 512cc Kohler one-cylinder gasoline engine powers the 214 tractor, which features manual steering, band brakes and a 46-inch wheelbase. As an older model, the 214 is bound to require repairs and routine maintenance; make sure your parts are

John Deere 214 Replacement Parts List | eHow

I check CL all the time and a good looking unrestored 214 in working order sells for an average of 600-700 you can add around 300 for paint. It's really not that much. the hood, fender pan, 2 side panels, grille support, you can mask off the dash tower and spray it in place, then you have the black grille and a few odds and ends
