200 TONS OF STEAM-POWERED ALIEN SUPER-TECH. Three daring women with a thirst for adventure. The railroads of Mars better raise that speed limit. ————— "OMG! It's BUFFY meets FIREFLY on Mars with trains!" - Barry J. Hutchison, bestselling author of SPACE TEAM ————— A NEW HOPE. A NEW WORLD. EXCITEMENT. OPPORTUNITY. ADVENTURE. For the colonists on a terraformed Mars in 2454, that was the promise. For you

though—Jess Flint, engineering prodigy and big-time dreamer—it is a promise unfulfilled. Excitement? Adventure? Somebody might be having 'em, but not in the one-horse-town you call home. And then it happens. In the depths of an abandoned alien junkyard, you stumble across the preserved hulk of legendary steam locomotive the Cannonball Express. Your jaw hits the Martian floor. This is it! Your ticket out! You rebuild the ancient loco, augmenting it with a hodgepodge of powerful alien super-tech. Almost before you know it, you've found yourself a crew: There's Sally, the town's glamorpuss, handy-with-her-fists saloon singer. There's Vera, über-brainiac accountant-turned-adrenalin junkie. Oh, and there's Dave. He's from Staines. You drop an ad in the local paper— CANNONBALL EXPRESS (MARS) Ltd. Any Cargo Anywhere Anytime —and WHAM! You just climbed aboard a bullet train to adventure. CANNONBALL EXPRESS Let's Roll ————— Book 2 in Kit Kane's CANNONBALL EXPRESS series, Hellbeast of Mars is interplanetary adventure at full-throttle—a standalone sci-fi western, brimming with action, monsters, comedy, and heart. ————— Resplendent in a trio of fresh-from-the-hardware-store overalls, Jess, Sally, and Vera stood in the mind-boggling immensity of the alien junkyard, staring up at what Jess had found there—at that steam-driven titan of rail locomotion. "Seven days," Jess said. "That's what we got. Granted, it ain't a lotta time, but the way I see it, we all pull together, we can do this. Not saying it'll be easy. Ya don't like axle grease, walk away now. Coal dust? Engine oil? See above. Is it a gamble? Sure. But this kinda gamble? It's the good kinda gamble, am I right?" The exhilaration in Sally and Vera's eyes was answer enough. "That's what I like to hear," Jess said, draping her arms around the denim-clad shoulders of her two best friends. "So step up then, ladies. Cos we just got ourselves into the Martian railroad business." —————

"AN EXPRESS RIDE OF THRILLS! You won't want to get off." - Alexander Gordon Smith, bestselling author of ESCAPE FROM FURNACE "BRILLIANT! A 200-ton rollercoaster ride." - Jon Mayhew, award-winning author of MORTLOCK READERS SAY: Thrilling!
Totally unique! I read it in one breathtaking blast. Shocks, cliffhangers, laugh out loud moments. An absolute winner all the way.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

1951 Vidalia Onion Queen of Georgia. When tragedy strikes, Tootie Caldwell, CeeCee ' s long-lost great-aunt, comes to the rescue and whisks her away to Savannah. There, CeeCee is catapulted into a perfumed world of prosperity and Southern eccentricity—one that appears to be run entirely by strong, wacky women. From the exotic Miz Thelma Rae Goodpepper, who bathes in her backyard bathtub and uses garden slugs as her secret weapons; to Tootie's all-knowing housekeeper, Oletta Jones; to Violen Hobbs, who entertains a local police officer in her canary-yellow peignoir, the women of Gaston Street keep CeeCee entertained and enthralled for an entire summer. A timeless coming of age novel set in the 1960s, *Saving CeeCee Honeycutt* explores the indomitable strengths of female friendship, and charts the journey of an unforgettable girl who loses one mother, but finds many others in the storybook city of Savannah. As Kristin Hannah, author of *Fly Away*, says, Beth Hoffman's sparkling debut is “ packed full of Southern charm, strong women, wacky humor, and good old-fashioned heart.”

This is the book that started it all! The basis for the smash hit Tony Award-winning Broadway musical, Gregory Maguire's breathtaking New York Times bestseller *Wicked* views the land of Oz, its inhabitants, its Wizard, and the Emerald City, through a darker and greener (not rosier) lens. Brilliantly inventive, *Wicked* offers us a radical new evaluation of one of the most feared and hated characters in all of literature: the much maligned Wicked Witch of the West who, as Maguire tells us, wasn't nearly as Wicked as we imagined.

choose—or what kind of dire consequences could follow. Jim Heron, fallen angel and reluctant savior, is ahead in the war, but he puts everything at risk when he seeks to make a deal with the devil—literally. As yet another soul is unwittingly caught in the battle between him and the demon Devina, his fixation on an innocent trapped in Hell threatens to sidetrack him from his sacred duty.... Can good still prevail if true love makes a savior weak? And will a woman ' s future be the key, or the curse, for all of humanity? Only time, and hearts, will tell.

This New York Times bestseller from “ one of the great storytellers of our time ” (San Francisco Book Review) turns from the glamour of the royal courts to tell the story of an ordinary woman, Alinor, living in a dangerous time for a woman to be different. A country at war A king beheaded A woman with a dangerous secret On Midsummer ' s Eve, Alinor waits in the church graveyard, hoping to encounter the ghost of her missing husband and thus confirm his death. Until she can, she is neither maiden nor wife nor widow, living in a perilous limbo. Instead she meets James, a young man on the run. She shows him the secret ways across the treacherous marshy landscape of the Tidelands, not knowing she is leading a spy and an enemy into her life. England is in the grip of a bloody civil war that reaches into the most remote parts of the kingdom. Alinor ' s suspicious neighbors are watching each other for any sign that someone might be disloyal to the new parliament, and Alinor ' s ambition and determination mark her as a woman who doesn ' t follow the rules. They have always whispered about the sinister power of Alinor ' s beauty, but the secrets they don ' t know about her and James are far more damning. This is the time of witch-mania, and if the villagers discover the truth, they could take matters into their own hands. “ This is Gregory

par excellence ” (Kirkus Reviews). “ Fans of Gregory ’ s works and of historicals in general will delight in this page-turning tale ” (Library Journal, starred review) that is “ superb... A searing portrait of a woman that resonates across the ages ” (People).

#1 New York Times bestselling author of Tidelands—the “ searing portrait of a woman that resonates across the ages ” (People)—returns with an evocative historical novel tracking the rise of the Tidelands family in London, Venice, and New England. Midsummer Eve 1670. Two unexpected visitors arrive at a shabby warehouse on the south side of the River Thames. The first is a wealthy nobleman seeking the lover he deserted twenty-one years earlier. Now James Avery has everything to offer: a fortune, a title, and the favor of the newly restored King Charles II. He believes that the warehouse ’ s poor owner Alinor has the one thing he cannot buy—his son and heir. The second visitor is a beautiful widow from Venice in deepest mourning. She claims Alinor as her mother-in-law and tells her of the death of Rob—Alinor ’ s son—drowned in the dark tides of the Venice lagoon. Meanwhile, Alinor ’ s brother Ned, in faraway New England, is making a life for himself between in the narrowing space between the jarring worlds of the English newcomers and the American Indians as they move towards inevitable war. Alinor writes to him that she knows—without doubt—that her son is alive and the widow is an imposter. But how can she prove it? Set in the poverty and glamour of Restoration London, in the golden streets of Venice, and on the tensely contested frontier of early America, this is a novel of greed and desire: for love, for wealth, for a child, and for home.
