The pitch of My Freshman Year is as irresistible as it is troubling: a cultural anthropologist, the pseudonymous "Rebekah Nathan", enrolled at her own university for the 2002-03 academic year as a...

My Freshman Year by Rebekah Nathan - PopMatters

Nathan had resolved that, if asked, she would not lie about her identity; she found that her classmates, if they were curious about why she was attending college at her age, never questioned her about her personal life Based on her interviews and conversations with fellow classmates, her interactions with professors and with other university employees and offices, and her careful day-to-day observations, My Freshman Year provides a compelling account of college life that should be read by ...

My Freshman Year: What a Professor Learned by Becoming a ...

My Freshman Year was written by Cathy Small under the pseudonym of Rebekah Nathan. As Nathan/Small was writing about her experience living in the dorms and taking freshman-level classes, writing about real students || most of whom didn't recognize that she was an anthropologist undercover studying them || her choice made sense.

Rebekah Nathan is a pseudonym for Cathy Small. She is a professor of anthropology at Northern Arizona University and the author of Voyages: From Tongan Villages to American Suburbs.

My Freshman Year: What a Professor Learned by Becoming a ...

In chapter 3, our author Rebekah Nathan examines the students over the community and diversity at AnyU. At the beginning of the chapter, Rebakah realizes that instead of wanting to be a part of the community, many of the new students want to keep more to themselves and interact with a few select people. She first observed this practice when the RA set up a bi-weekly activity called "Movie Night."

My Freshman Year: Chapters 3 & 4

I came to this book as a college instructor of first-year students and wanted to see what observations "Rebekah Nathan" had made that might surprise me or change my expectations. While this book is 10 years old, and her observations almost 13 - the culture she describes has changed very little.
