Clues for analyzing and uncovering the correct answer option.

UNIQUE! Page references to Mosby or Saunders textbooks provide specific resources for further study and self-remediation. Each question is categorized by cognitive level, client needs area, integrated process, and clinical content area to allow you to focus on your area of weakness. Pyramid Terms at the beginning of each chapter give you a quick preview of key content. Pyramid Points throughout the content outlines highlight content that typically appears on the exam. Pyramid to Success sections at the beginning of each chapter or major unit of the book provide an overview of the chapter, guidance and direction regarding the focus of review in each content area, and its relative importance to the most recent NCLEX-PN® text plan. A comprehensive exam in the text features 85 questions related to all content areas and parallels the

percentages identified in the NCLEX-PN® test plan. Completely updated content reflects the April 2008 NCLEX-PN® test plan, so you can be sure you're using the most current information to prepare for the exam. A user-friendly, 2-color design helps you focus your studying on the most important information. Additional illustrations visually demonstrate key concepts to help improve your retention and recall for the exam. Audio questions on heart and lung sounds familiarize you with this anticipated new type of alternate item format question.

This new NCLEX-PN review book provides both a succinct Content Review and more Q&A than any other NCLEX-PN review book. Each chapter opens with a Content Refresher, providing an overview of key information on each topic---it summarizes what is
