Social Preconditions

Of National Revival In

Europe

National revival or national awakening is a period of ethnic self-consciousness that often precedes a political movement for national liberation but that can take place at a time when

Download Free Social

Independence is politically unrealistic. In the history of Europe, national revivals are most commonly associated with the period of romantic nationalism that started in the 18th and 19th centuries.

In his new preface,
discussing why
certain nationalist
movements
succeeded while
others did not, the
author argues that

Download Free Social

four factors contribute to the effectiveness of nationalist movements: (1) a strong sense of identity and common historical past within the group; (2) a certain level of vertical mobility (some educated people must come from the nondominant ethnic group without being

Download Free Social

assimilated); (3) an increasing level of social communication, including literacy; and (4) a nationally ...
