investments they are making are immense, as is the number of vehicles they build, and in this respect it is a good bet that they will continue to be in existence. Pelican Engineering isn't as big, but it is very long established and it does have an extremely good track record of providing long term support for vehicles, even ones that are not produced any more.

Yutong TC9 and TC12 - Bus & Coach Buyer

Yutong is not only the largest manufacturer in China but also the largest in the world with a daily output of over 400 vehicles and a 12% share of the global market for medium and large sized buses and coaches. It is the
